

The Evans Head Memorial Aerodrome Heritage Aviation Association Inc. was formed to restore, preserve promote and display a range of historical aviation exhibits and to educate and stimulate the interest of the general public in general aviation, in our military history and in the natural and cultural history of the area.

A retired RAAF F-111 will be housed in the one remaining restored Bellman Hangar as the centre display in the museum with other aircraft, the history of the Aerodrome and local aviation. We welcome membership to assist us achieve these objectives and for members to share in this important and valued part of Australian aviation history.
